## Terms and Conditions

These terms and conditions relate to the contract between Aspire Day Nursery (the nursery) and the Parent/guardian.

### **1 Policies and Procedures**

All policies and procedures must be adhered to at all times. All policies are readily available on request via email or on nursery premises.

### **2 Registration**

Once we have received the completed registration form, the nursery will begin to process your application. The registration fee is non-refundable. Once you have registered with the nursery, you are agreeing to the Terms and Conditions of the nursery.

### **3 Offer acceptance**

On acceptance to the nursery, a deposit is paid into a deposit account and will be deducted from the final months fees - upon receiving 2 months' notice of termination of place.

Once the deposit is paid to secure your child's place, should you decide not to take the place at Aspire Day Nursery - your deposit is non-refundable.

Providing you give the required full two months' notice to leave, your deposit will be deducted from last month's fees in full. Any outstanding fees owed to the nursery will be deducted from your deposit at the end.

### **4 Nursery fees**

- i. Payments shall be made by the parent/guardian monthly, in advance, on the 25th of each month for the following month (the due date) by standing orders, bank transfer and government incentive schemes such as tax free childcare scheme or childcare vouchers.
- ii. If the payment of fees referred to in (i) above stays outstanding for more than 7 days then the nursery may serve notice in writing to terminate this contract - the child will not be admitted into the nursery, and the nursery's notice to terminate shall be regarded as a formal demand for all outstanding monies.
- iii. In the event of late payment of fees (after 1st of each month) the nursery reserves the right to charge late payment charges to the parent of £50 per day until the full amount has been received.
- iv. The nursery reserves the right to increase the said fees at any time upon giving two calendar month's written notice.
- v. Any payments by a parent/ guardian upon this basis may be regarded by the nursery as a breach of the parent/guardian payment obligations and the nursery reserves the right to terminate this agreement upon serving 7 days' notice of the parent/guardian payment default. Upon the expiration of the said 7 days' notice and the parent/guardian having failed to remedy their payment default then the nursery shall be entitled to treat this agreement as terminated and the provision of clause 3 shall apply. Fees will still apply on all Bank holidays (including Christmas).
- vi. **In the event of a lockdown** (localised or national), the nursery will request parents to pay 25% of nursery fee payments during closure. This is to ensure retention of staff and nursery facilities.
- vii. In the event of **room closure**, parents will be requested to pay 25% of fees during room closure period.
- viii. From Monday 16th August 2021 children and practitioners are required to do a PCR test before being admitted into nursery following a positive covid test if the nursery deem a child or practitioner to be a close contact. A definition of a close contact is available on the UK government website, and this is the definition we are following. Children and practitioners must complete a PCR test before their next visit to nursery. Results\proof of test must be emailed to the nursery [info@aspirenursery.co.uk](mailto:info@aspirenursery.co.uk) within 72hrs of being informed of close contact. They can continue to come to nursery whilst waiting for results. Failing to complete a PCR test will result in the child\practitioner from attending nursery for the remainder of the 10-day isolation period. We have this rule in place to protect all children, practitioners, and visitors. Lateral flows are not deemed adequate. Full nursery fees now apply to all children, as with the normal sickness policy if your child is off with covid. Failing to follow the PCR procedure will result in your child not being

able to attend nursery for the following 10 days after a positive case, however full fees will apply. We introduce this strict policy as it has always been and always will be our first priority to keep children and staff safe. A positive case of covid still need to isolate in line with the government requirements. Those that have had covid in the previous 90 days are not required or advised to do a PCR test.

- ix. The nursery closes between Christmas and New year and all other Bank Holidays.
- x. All children are eligible for the nursery funding from the term after their 3rd birthday and have to be present for the new head count. Parents who are eligible for this must fill out necessary paperwork to qualify for this, failure to do this will result in paying full fees and back date payment for any last fees.
- xi. If the nursery needs to close due to bad weather, power failure or other reasons beyond the nurseries control, parents will be informed as soon as possible, and fees will not be refundable.
